HOMESTAY INFORMATION SPAIN

• Arrival information is required for all students, whether or not an airport transfer is required. This is necessary to ensure that someone will be at home to greet the student when he or she arrives. Students must call, e-mail or fax ESTUDIO SAMPERE at least one week in advance to give us the information, or the family five days before arrival. Homestay families are not required to pick the students up at the airport, and students should not ask the host to do so.

DISTANCES FROM FAMILIES TO SCHOOLS:

MADRID: Most of the families are not far from the School, and students can walk every day 20/25 minutes to School. In other cases, students should use public transportation (subway or bus) for 15/25 minutes. Public transportation is very cheap in Madrid and 10 rides in the bus or subway cost less than 6,00 €, and a monthly pass around 30,00 €.

SALAMANCA: All the families are within walking distance as is everything in Salamanca. Students should walk around 10 to 25 minutes from accommodation to the School.

ALICANTE: Most of the families are not far from the School and students can walk every day 10 to 20 minutes. In some cases students should use public buses that are very cheap.

EL PUERTO: Most of the families are within walking distance.

CHANGES OF FAMILIES: Estudio Sampere attaches great importance to accommodation. The families are carefully selected. The director of each School, always at the student's disposal, can change a student's accommodation if the need arises. If the student is not happy and wants to change to another family, during his/her FIRST WEEK, the School will propose three new addresses that the student can visit and make his/her choice. There is no extra cost if student has to change families, during his/her first week.

MEALS:

BREAKFAST is very light in Spain and it is never a big meal. It consists of coffee and biscuits/bread.

LUNCH is the main meal for a lot of Spaniards and it's eaten between 13:30 and 15:00, comprised of two or three courses.

DINNER is usually tortilla, cold meats, salads, sandwiches, etc., and it's eaten between 20:00 and 22:00.

KEYS FOR APARTMENTS/STUDENT ROOM SPAIN

You will receive from our agent/representative or from us the complete address of the apartment/student room. You will also find a telephone number of the person in charge of the keys. You should contact this person some days before arrival to tell him/her approx. time for arrival. In some cases the owner will ask for a deposit (50 to 100 Euros). The deposit will be reimbursed at the end of the stay provided all items in the apartment are in the same condition. Students are supposed to arrive on Sunday afternoon, before 11:00 pm. Distance from student rooms to School can be very different, from 10 minutes walking to 40 minutes by public transportation. All student rooms have a bus or subway stop nearby. Distance to the school will not be a reason to change the original address you received.

HOMESTAY INFORMATION ECUADOR

The family will give you three meals a day. The custom, which you should respect, is to have a light breakfast, lunch and a snack or light supper. Breakfast, usually served early, consists of fruit juice, a choice of chocolate, tea or coffee and bread with butter. Lunch is usually served at 1:30 pm and generally consists of three courses: soup a "main course" and dessert. You can request typical dishes of the region. Supper is very similar to lunch. In many homes only a light supper is served.

In the event the application for a Visa is refused by the Spanish Embassy or Consulate, we will refund the deposit and any other paid fees after the deduction of an administrative charge of 50 Euros/US Dollars, after receiving the refusal letter from the Spanish Embassy or Consulate.
