JUNIOR COURSE (13-16 yrs.) - JUNE-JULY - 2008

This Course is designed for "juniors", between 13 and 16 years, who are learning Spanish in High School or for any other purpose.

THE COURSE

The Spanish Course is the most important part of the Junior Program. Classes are held daily, from 9:00 to 1:00 pm (13:00) and homework is always assigned. Only Spanish is spoken in the classroom and the teachers are demanding. There are three hours daily where all aspects of the Spanish language can be studied and practiced: grammar and composition, vocabulary and conversation. Students successfully meeting course objectives will receive a Diploma at the end of the course.

THE ACTIVITIES

The Junior Course includes cultural, sports and a wide variety of other activities at no extra cost. A different activity is planned for each day except Sunday: visits to museums, group events, a day at the swimming pool and excursions and field trips outside of Salamanca. Meeting young people from other countries is a very rewarding part of the Programme, allowing students to broaden their view of the world. Activities permit and encourage these contacts. All activities are supervised by **Estudio Sampere** personnel. Sports shoes, a swimming suit and beach towel should be packed. A sweater will also be needed as it sometimes cools off at night. A list of clothing and necessary items will be included in the Student Handbook.

THE ACCOMMODATION

Spanish homes. These families have been carefully selected and each one has been visited. Two students live in each room. Some of the families have children of their own. The families live near the School -10 to 20 minutes on foot- and students take part in family life.

The three main meals of the day are all included. Students receive a bag lunch with sandwiches and fruit on excursions or pool days.

Estudio Sampere assures that the meals are healthy and balanced. It is very important to note any special dietary needs on the registration form. Laundry (one machine per week) included.
